

The teacher is standing at the front of the classroom, wearing a white polo shirt with a red stripe across the chest and dark trousers. He is holding a red folder or book and appears to be speaking to the class.

The students are seated on the floor, facing the teacher. They are wearing white short-sleeved shirts and dark blue or black skirts or shorts. Many of the girls have white bows in their hair. Some students are looking towards the teacher, while others are looking at their phones or papers. The room has large windows with a view of greenery outside. The floor is made of light-colored wood.

College of Logistics and Supply Chain

4. The Logistics Process

5. The Role of Information Technology

6. The Role of Sustainability

7. The Role of Innovation

8. The Role of Leadership

9. The Role of Teamwork

10. The Role of Communication

The teacher, a man in a white shirt and dark trousers, is standing at the front of the classroom. He is holding a red folder or book and appears to be speaking or gesturing towards the projection screen. He is positioned to the left of the center of the frame.

The students are seated at long white tables, facing the front of the room. They are wearing white short-sleeved shirts and dark trousers or skirts. Many of the female students have white bows tied in their hair. Several students are wearing white face masks. On the tables in front of them, there are some papers, possibly textbooks or handouts, and a few mobile phones. The students are looking towards the front of the room, where the teacher is presenting.
